(hereinafter Assignors), have invented a certain invention entitled:

**DISAMBIGUATION OF SEARCH PHRASES USING INTERPRETATION CLUSTERS**

for which application serial number 10/623,115 for Letters Patent in the United States has been filed on July 18, 2003 and executed herewith.

Overture Services, Inc., a corporation of the State of California, having a place of business at 74 North Pasadena Ave., 3<sup>rd</sup> Floor, Pasadena, CA 91103 (hereinafter Assignee), is desirous of acquiring the right, title and interest in and to said application (hereinafter Application), and the invention disclosed therein (hereinafter Invention), and in and to all embodiments of the Invention, and in and to any and all patents, inventor's certificates, and other forms of protection (hereinafter Patents) granted in any and all countries and groups of countries.

For good and valuable consideration, the receipt, sufficiency, and adequacy of which are hereby acknowledged by the Assignors to have been received in full from the Assignee, the undersigned do hereby:

Sell, assign, transfer and convey to Assignee the full and exclusive right, title, and interest: (1) in and to the Application and the Invention; (2) in and to all rights to apply for patents on the Invention in any and all countries in accordance with the International Convention for the Protection of Industrial Property or otherwise; (3) in and to any and all Applications filed and any and all Patents granted on the Invention in any and all countries and groups of countries, including each and every Application filed and each and every Patent granted on any application which is a division, substitution, or continuation of the Application; and (4) in and to each and

every reissue or extension of any of the Patents;

Covenant and agree to cooperate with the Assignee to enable the Assignee to enjoy to the fullest extent the right, title and interest to the Invention herein conveyed in any and all countries and groups of countries; such cooperation by the Assignors shall include prompt production of pertinent facts and documents, giving testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by the Assignee (1) for perfecting in the Assignee the right, title and interest herein conveyed; (2) for prosecuting any of the applications; (3) for filing and prosecuting substitute, divisional, continuing or additional applications covering the Invention; (4) for filing and prosecuting applications for reissuance of any of the Patents; (5) for interference or other priority proceedings involving the Invention; and (6) for legal proceedings involving the Invention and any application therefor and any Patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that the expense incurred by the Assignors in providing such cooperation shall be paid for by Assignee; and

Warrant, covenant, and represent that they have not entered and will not enter into any assignment, contract, or understanding in conflict with this agreement.

The term and covenants of this agreement shall inure to the benefit of the Assignee, its successors, assigns and other legal representatives, and shall be binding upon the Assignors, their respective heirs, legal representatives, and assigns.

The Assignors have executed and delivered this instrument to the Assignee on the dates indicated below.
